السلام عليكم

Dear Parents

Al- Ghazali College for learning and leadership takes pleasure in informing you about the “busy bees club”. This is a complete, comprehensive and holistic approach to develop the female learner and to prepare her for life outside school.

A suggestion form was handed out to the girls to find out the activities they would prefer as well as the most suitable time. After looking at their suggestions, we have concluded the following:

- The program will be held once a week during Term 1 on Fridays from 3: 00 – 4:30 p.m. (You will be informed if there are any changes in time).
- A theme will be selected each month based on an Ayat from the Quraan or a Hadith. Activities will be based on the theme.
- There will be a combination of, spiritual development and other activities related to programing, make-up and entrepreneur skills.
- We will communicate with specialist in the respective fields to train the girls. Some may offer their services voluntarily while others may stipulate a fee.
- We are communicating with some well- wishers sponsor some of the activities.

Note:

- Punctuality is very important because many service providers or trainers will be paid according to the number of attendees.
- Adhere to Islamic dress code.
